Regarding: Conflict Minerals, pursuant to the Dodd-Frank Act – Section 1502

Polymeric US designs and produces products with quality as a primary goal. To that end, and based on information from our suppliers, all Polymeric US standard products are not manufactured with Conflict Minerals which is defined in Section 1502(e)(4) of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010.

This is inclusive of but not limited to the following standard products:

Imagemark XR	Ultrabond WR	Thermoform TF
Renegade GP	Decoprint SS	Heatfold HF
Lazer LXII	Diamond-Kote Coatings	PCM
Smokescreen Coatings	Duraflex DF	GBS Gloss Bottle
Lightspeed	Checkmate II	Checkmate K
DualCure DC	GTR Graphic Transfer	LTD Long-Term Decal
Shurfire	Universal	Universal Plus
DTG	Election Series	F-Vac
K2	Mosaic	LE
Prestige	Hyflex	Shurfoot
Static King	VWrap	Solarshield

Additionally, Polymeric US performs an ongoing Reasonable Country of Origin Inquiry (RCOI) of all raw material vendors. Statements from these suppliers give us a reasonable assurance that products that they supply and that we use in manufacturing, are “Conflict-Free” and have not originated from the Democratic Republic of Congo or any adjacent countries that might be in the supply chain.

Further, based on the above assurances, any of Polymeric US’s products that might contain any Tantalum, Tin, Tungsten, or Gold are “DRC Conflict Free” and did not originate from any of the countries in question.
